Description

Showcase home with tons of extras! Beautiful foyer with specialty ceiling and eloquent chandelier leads to the formal dining room adorned with heavy crown molding, wainscoting and decorative columns. Great room with stack stone gas fireplace surrounded by recessed walls and hardwood floor. The light & airy kitchen offers granite countertops, serving bar, Jenn Air appliances, custom cabinetry, butler's pantry and opens to keeping area that has beautiful cherrywood built-ins. The master suite is on the main level with double tray ceilings and master bath that features oversized shower with tile surround and side massage jets, separate vanities with beveled mirrors, jetted tub and two walk-in closets. Guest suite and full bath on main level are perfect for weekend guests. The upper level consists of two additional bedrooms, one with separate study/play area, bonus room, full bath and attic storage. Full unfinished walk-out basement ready for expansion. Professionally landscaped level lot plus one year builder's warranty.
